The partnership with Loric Games reflects Snail's publishing strategy of backing experienced development teams, leveraging proven creative leadership, and identifying projects with clear audience and market fit. Loric Games' pedigree in building immersive worlds and sustaining player communities aligns closely with Snail's focus on scalable titles capable of long-tail performance through ongoing updates and community engagement.

"*Echoes of Elysium* represents the exact type of opportunity we actively seek; original IP built by seasoned developers, strong early audience traction, and a design foundation that supports long-term content expansion." said *Peter Kang, SVP of Business Development at Snail, Inc.*

For Snail, *Echoes of Elysium* adds to a growing lineup of titles designed to complement the Company's established franchises while diversifying potential revenue streams and expanding its presence. With Early Access serving as a platform for iterative development and community-driven refinement, Snail Games expects *Echoes of Elysium* to benefit from extended engagement cycles and recurring content opportunities over time reflected in their initial roadmap.

Echoes of Elysium launched on Steam for $19.99 with a first week discount of 10% off.
