

Snail, Inc. Announces ARK: Dinosaur Discovery Major Content Updates

March 16, 2023

CULVER CITY, Calif., March 16, 2023 (GLOBE NEWSWIRE) -- Snail, Inc. (Nasdaq: SNAL) ("Snail" or "the Company"), a leading, global independent developer and publisher of interactive digital entertainment, today announced the first major content update for *ARK: Dinosaur Discovery*.

ARK: Dinosaur Discovery, currently exclusive to Nintendo Switch, is an educational adventure designed for younger players, allowing them to explore the ARK island without violence and learn about prehistoric creatures that inspired ARK: Survival Evolved. Players who purchase *ARK: Ultimate Survivor Edition* can download *ARK: Dinosaur Discovery* for free, and the game is also available for \$9.99 on the Nintendo eShop.

The major content update includes a full game map accessible from a player's bookshelf, teleport abilities to any previously discovered creature zones, a whistle feature to immediately spawn a tamed creature to a location, and improvements to all creature movement animations. Additionally, the game now has full language support for Japanese, Simplified Chinese, and Traditional Chinese.

Jim Tsai, Chief Executive Officer of Snail, commented, "We are thrilled about the first major updates to *ARK: Dinosaur Discovery*, enhancing the immersive experiences for younger players. At Snail, we are committed to unlocking the full potential of our ARK franchise, and we are excited about providing engaging and educational gaming experiences for players of all ages through *ARK: Dinosaur Discovery*. We look forward to continuing to expand and improve the game, and to bring the joy of exploration and discovery to young players worldwide."

About Snail, Inc.

Snail is a leading, global independent developer and publisher of interactive digital entertainment for consumers around the world, with a premier portfolio of premium games designed for use on a variety of platforms, including consoles, PCs and mobile devices.

Forward-Looking Statements

This press release contains statements that constitute forward-looking statements. Many of the forward-looking statements contained in this press release can be identified by the use of forward-looking words such as "anticipate," "believe," "could," "expect," "should," "plan," "intend," "may," "predict," "continue," "estimate" and "potential," or the negative of these terms or other similar expressions. Forward-looking statements appear in a number of places in this press release and include, but are not limited to, statements regarding Snail's intent, belief or current expectations. These forward-looking statements include information about possible or assumed future results of Snail's business, financial condition, results of operations, liquidity, plans and objectives. The statements Snail makes regarding the following matters are forward-looking by their nature: growth prospects and strategies; launching new games and additional functionality to games that are commercially successful; expectations regarding significant drivers of future growth; its ability to retain and increase its player base and develop new video games and enhance existing games; competition from companies in a number of industries, including other casual game developers and publishers and both large and small, public and private Internet companies; its relationships with third-party platforms such as Xbox Live and Game Pass, PlayStation Network, Steam, Epic Games Store, Nintendo eShop, the Apple App Store, the Google Play Store and the Amazon Appstore; assumptions underlying any of the foregoing.
